

YES YOU CAN Raise Ministry Funds During Tough Economic Times!

Mike Long

Dear Friends in the Pro-Life Movement,

With God – all things are possible! He is Sovereign! And it all belongs to Him anyway! Whatever His hands are in, He miraculously and abundantly provides. Mike Long believes His hands are upon Pregnancy Resource Centers across America. Last Fall, Mike spoke at 11 PRC fundraising banquets during very difficult economic times and still received letter after letter from directors like the one on the back. Please take a moment to read it now! ✉

How would you like to raise funds for your ministry while opening more doors to community churches, schools, and youth organizations to the message of sexual purity and life? Mike helps your donor base understand how your ministry not only saves the lives of the unborn, but also changes lives through a saving knowledge of Jesus Christ. Your PRC also working to PREVENT abortions, unplanned pregnancies, sexually transmitted diseases, and emotional heartache are part of the new and refreshing message that unlocks the door of financial support.

Mike's message is not about abstinence alone, but also incorporates all other aspects of PRC ministries, from effective counseling in preventing abortions to the medical aspects of many PRCs. And the unique way God has equipped Mike to conduct the "Ask" at banquets is special! His "two-pronged" approach along with the dedication prayer before pledge cards are completed is what brings the responses like the one on the back.

Your banquet is most likely your number one fundraiser for the year. During tough economic times as we all are experiencing now; you need a new, refreshing, and motivating message and "Ask" that directs your donor base to seek and respond to God's Will in their giving. That is why it is imperative to have someone anointed by God to give a passionate speech and deliver a solid "two-pronged" appeal. Mike Long does both!

Please call Mike today so he can explain how this appeal works so effectively. Be sure to request a free promo DVD of Mike's banquet talk. And check out his website at www.mikelong.com. Click on the section: For Pregnancy Center Fundraising Banquets.

Dear Mr. Long,

I just wanted to thank you so much for serving the Lord with your message of abstinence. We had very many positive comments on what you had to say, and a couple of offers for people who would like to be involved.

Our bookkeeper hasn't given me an official final total yet, but my guesstimate, I think we probably did close to double of what we received last year. Thank you.

I believe you also gave our supporters a view of what the abstinence message could really mean to young people. Somehow, I think, most of us "older" folks have our heads in the sand as to what our teens really face. Thank you for bringing that message. It would appear they really heard.

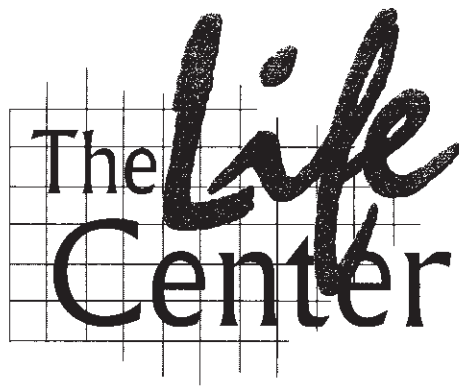

We so appreciate all that you did to make our banquet a success!

In Christ,

Dear Mike,

Nov. 10, 2008

I wanted to share with you some feedback on the "Fantastic Fall Fundraiser" in Midland last Thursday evening. One of my favorite comments had to do with the execution of the message. It was noted that people finally understood the connection of what we do and how intervention relates to prevention. That was the key reason I wanted you for our fundraiser. You are a gifted teacher! There was a real interest among the audience to understand how they can connect with their children and grandchildren.

The biggest success by far was the way you execute the "ask." We have never had such an excellent "ask!" Several of my board members and former staff were very impressed! I join the ranks of the other centers that experienced a jump in pledges. Our pledges for next year more than doubled. This is our 14th banquet and the most successful. To date, we have earned \$289,908 with another \$2,000 in verbal commitments puts us a few thousand from the goal of \$300,000. We will continue to receive income for the next several weeks.

There were a few more things which hold, in my view, the greatest importance; experiencing the sovereignty of God. One was the last minute decision to contact you and the fact that you were available was a blessing. The second, my staff and I all agree – you are so gracious and a delight to work with; and third; the Lord is His mighty way – encouraged the non-profit in a time of social and financial uncertainty with power and provision from on high! To Him be the glory and praise.

Thank you, Mike! The Lord used you once again to bring Him honor. May He honor and bless you and your family.

In His Grace,
